## **Terms, Definitions and Acronyms**

- **Country of Origin**: Country of manufacture, production, or growth. Country of origin is not determined based on the country from which an item was purchased or shipped.
- **Commercial Invoice**: Invoice used for shipping / customs clearance.
- **Proforma Invoice**: Document constructed to serve in place of a commercial invoice for non-billable shipments and used for only customs clearance purposes.
- **Packing List**: Document detailing contents of a shipment by box count, gross, and net weight.
- **Assists**: Goods and services that are supplied by the buyer “directly or indirectly” and either “free of charge or at a reduced rate” for use in connection with the production or sale for export to Vietnam of the imported merchandise. Basically, an assist is a good or service that the seller or manufacturer of the imported merchandise would have had to purchase or pay for to produce the merchandise if the buyer did not provide it. Example of assist are:  
Materials, components, parts, and similar items incorporated in the imported merchandise.  
Tools, dies, molds, and similar items used in the production of the imported merchandise.  
Engineering, development, artwork, design work, and plans and sketches that are undertaken elsewhere than in Vietnam and are necessary for the production of the imported merchandise.
